

NapervilleWorks

Who we are:

- NapervilleWorks is a grassroots organization comprised of parents, local business people, professionals and staff from school districts 203 and 204. We collaborate to increase job opportunities for young adults with disabilities in the Naperville area.

Our mission:

- To increase job opportunities for people with disabilities and to promote awareness of the contributions these citizens make in our community.

How you can contribute:

- Contact NapervilleWorks with possible job opportunities
- Support the local businesses that employ our young adults
- Prepare your young adult for employment with volunteer experiences, resume preparation and development of work-related skills
